

ASHLEY WARD-SINGLETON

FOR CIRCUIT COURT JUDGE

Ashley is an attorney at Krapf Legal, a high-volume practice where she represents plaintiffs in state and federal court throughout Florida. Prior to her current position, she supervised new attorneys and staff in a civil litigation firm while managing her own heavy load of 100+ cases. During her career, Ashley has litigated from both sides having represented both plaintiffs and defendants. Ashley has experience in insurance litigation and employment law including wage and hour violations and cases dealing with discrimination based on gender, race, or disability.

Early in her career, Ashley served as Federal Judicial Law Clerk with the Honorable United States Magistrate Judge, Carol Mirando in Fort Myers, Florida. As a Judicial Law Clerk, Ashley was continuously challenged with learning new areas of law which enhanced her ability to navigate through nearly any legal issue. This experience also allowed her to view cases from a neutral and objective perspective rather than as a persuasive advocate. Since 2012, she has been a Grader for the Florida Bar Examiners helping to usher in the next generation of lawyers.

Ashley's commitment to service extends beyond the law. She organized a food and toy drive for the children of the Boys and Girls Club. A graduate of Leadership St. Pete, she actively helped strengthen the program for incoming classes as a member of the planning committee and continuing her service as a leader in St. Petersburg. A fierce advocate for young people, Ashley has worked hard to create opportunities and a positive learning environment for the students at Mt. Moriah Christian Fundamental Academy as Vice-Chair of the Board of Trustees.

Ashley has grown up in our community and earned her JD/MBA from Stetson University College of Law in Gulfport. As a St. Petersburg native, Ashley has spent her entire life serving this community and hopes to continue to serve as a circuit court judge.
